APPROVAL FOR THE TOWN OF HARRISON'S ANNUAL  
FIREWORKS DISPLAY ON THURSDAY, JULY 4, 2013 AT 9:00 PM.  
WITH A RAIN DATE OF JULY 5, 2013

Harrison resident Roy Aletti said that our goal is to raise \$8,500 and we are now at \$6,500. I have pledge commitments that will get us to this amount. All the funds have been raised. We will take more funding and my question to the Board is if we exceed the amount we need can we add to the display or bank it for next year's show?

Supervisor Belmont said we are already under contract so any additional monies raised should be banked for next year's show.

Harrison resident Roy Aletti said that he has been speaking with Gerry Salvo, Superintendent of Recreation, and we are going to have a band starting at 8:00 p.m. I would like to add a comment on how important this holiday really is. It is not only our country's birthday but the anniversary of our way of life. So come out and enjoy this great evening.

Supervisor Belmont said this is a wonderful evening to be with all your neighbors. The town will provide the band, safety, and police. The fireworks display is being paid for by the residents and business owners. Roy, on behalf of the town we thank you for all your work.

Supervisor Belmont said the Harrison Fire Department has made a donation of \$1,000 and Bill Powell from Powell Catering made a donation of \$500. Can I have a motion to accept these donations?

On motion of Councilwoman Amelio, seconded by Councilman Sciliano,

it was

RESOLVED to approve the Town of Harrison's annual fireworks display on Thursday, July 4, 2013 at Halstead Avenue and Oakland Avenue at 9:00 PM with a rain date of July 5, 2013.

FURTHER RESOLVED to accept the following donations for the Town of Harrison's annual fireworks display: \$1,000 from the Harrison Fire Department and \$500 from Bill Powell of Powell Catering.

REMARKS RE: THE QUARRY

Harrison resident Glen Dahar asked the Board what is going on with the quarry. I'm not sure if you have been back there lately but there is a huge mountain of rubble that has grown quite substantially along with the noise that we are hearing. This is going on four years so I am asking what is going on.

Town Attorney Allegretti said the matter is still in litigation and as far as the last issue raised the DEC is well aware of it and are on top of it.

Harrison resident Glen Dahar asked what about the town?

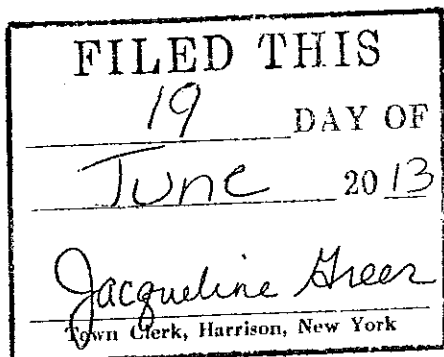

Town Attorney Allegretti said we are in litigation and beyond that I can not comment.

Councilwoman Amelio said please don't interpret our silence as not caring; that is not the case.

Councilman Malfitano said that when any town is involved in litigation concerning an issue such as this, it is not really something that we can, as public officials, comment on or give a response on. It is not that we don't care. In the advice of our council we have been advised not to enter into a discussion or comment. What you should know is that community representatives are trying to do what is believed to be correct and in your interests as a resident.

Councilwoman Amelio asked Town Attorney Allegretti if there was any timeframe here that we could refer Mr. Dahar to.

Town Attorney Allegretti said no. Our building inspector has been very responsive to discussions with the adjoining neighbors. He certainly has been a liaison of communication of recent history.
